## **Article - Public Utilities**

## [Previous][Next]

§5–103.

- (a) (1) The Commission may require a public service company to continue any service that the public service company renders to the public under any franchise, right, or permit, after any applicable expiration date.
- (2) Unless authorized by the Commission, a public service company may not discontinue or abandon a service under a franchise, right, or permit.
- (3) The Commission may authorize a public service company to discontinue or abandon a service under a franchise, right, or permit if the Commission finds that the present or future public convenience and necessity allows the discontinuance or abandonment.
- (4) Denial of authorization to discontinue or abandon a service under a franchise, right, or permit does not preclude subsequent reapplication.
- (b) (1) Whenever the Commission authorizes the abandonment or discontinuance of a franchise, right, or permit, as a whole or in part, that involves any service to or from a suburban community, the Commission:
- (i) shall consider all applications to acquire the franchise, right, or permit to render the service; and
  - (ii) shall grant the application to the best qualified applicant.
- (2) An abandoned or discontinued right that extends between midcity and suburban termini shall continue to extend between the mid-city and suburban termini if the abandoned or discontinued right:
- (i) as acquired by the abandoning or discontinuing public service company or its predecessor, extended from mid-city to suburban termini; or
- (ii) was operated between the mid-city and suburban termini during most of its existence or for an aggregate of at least 15 years.
